Dear Collision Plus Family,

Please accept this letter of thanks for supporting the **BC Society for the Prevention of Cruelty to Animals**. Your recent gifts of \$14,717.97 and \$1,271.00 have been received and designated to the Biscuit Fund.

Your support has helped so many dogs in need. One dog supported through our Biscuit Fund was Lucky, a 9 year-old Spaniel mix male dog. A Postal Carrier found Lucky on the street one day in the middle of a thunderstorm, soaking wet and terrified. His guardians never came to claim him and like most senior dogs, he required some dental work. Thanks to the *Biscuit Fund* Lucky now have lovely teeth and breath to match his lovely personality...and is happily in a new home. Lucky, indeed.

The BC SPCA is the largest animal welfare organization in North America and each year helps almost 37,000 injured, abused and homeless animals and investigates more than 4,700 complaints of animal cruelty and neglect. Lesser known programs also include our Farm Animal Welfare and Wildlife Welfare Departments, as well our popular Youth Education Programs and Services.

If you would like to learn more about how your gift is being put to good use protecting, rehabilitating and helping animals, or to donate directly to the BC SPCA, please visit us at sPCA.bc.ca. You can subscribe to receive e-newsletters, take action to help animals in need, find out what is happening at the shelter nearest you and so much more!

Due to the nature of your gift, an official receipt for income tax purposes can not be issued under regulations set forth by the Canadian Revenue Agency (CRA). For more information, please visit www.cra-arc.gc.ca/tx/chrts/ or contact our Donor Relations Team at 604-681-7271 or by email at donations@sPCA.bc.ca.

Once again, thank you for your gift. Your commitment to help protect, advocate, rescue, shelter and find homes for the many wonderful animals taken into our care at shelters throughout the province inspires us all.

Sincerely,

Craig Daniell
Chief Executive Officer
